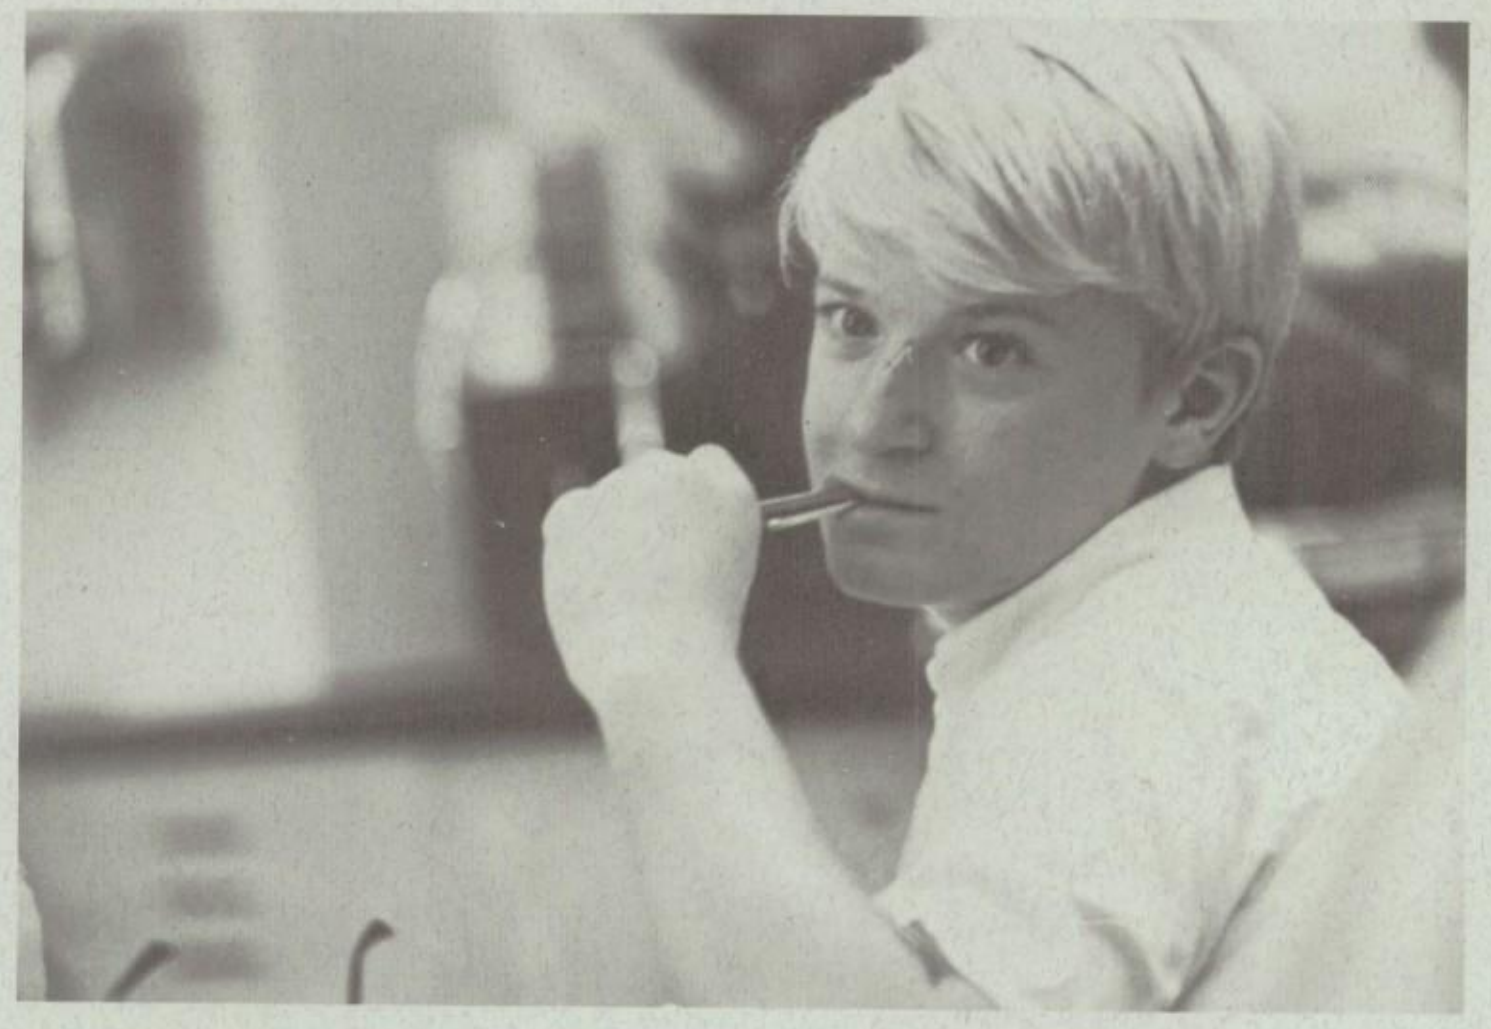
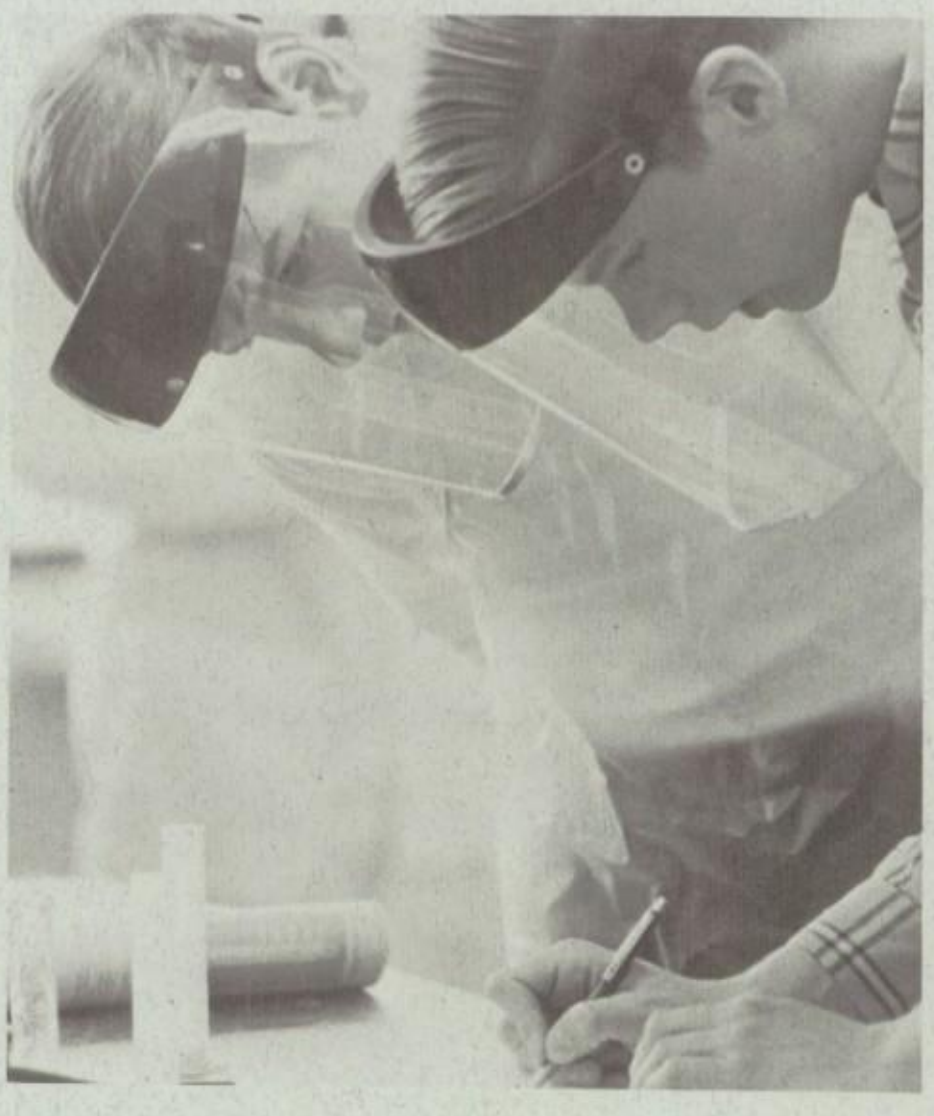
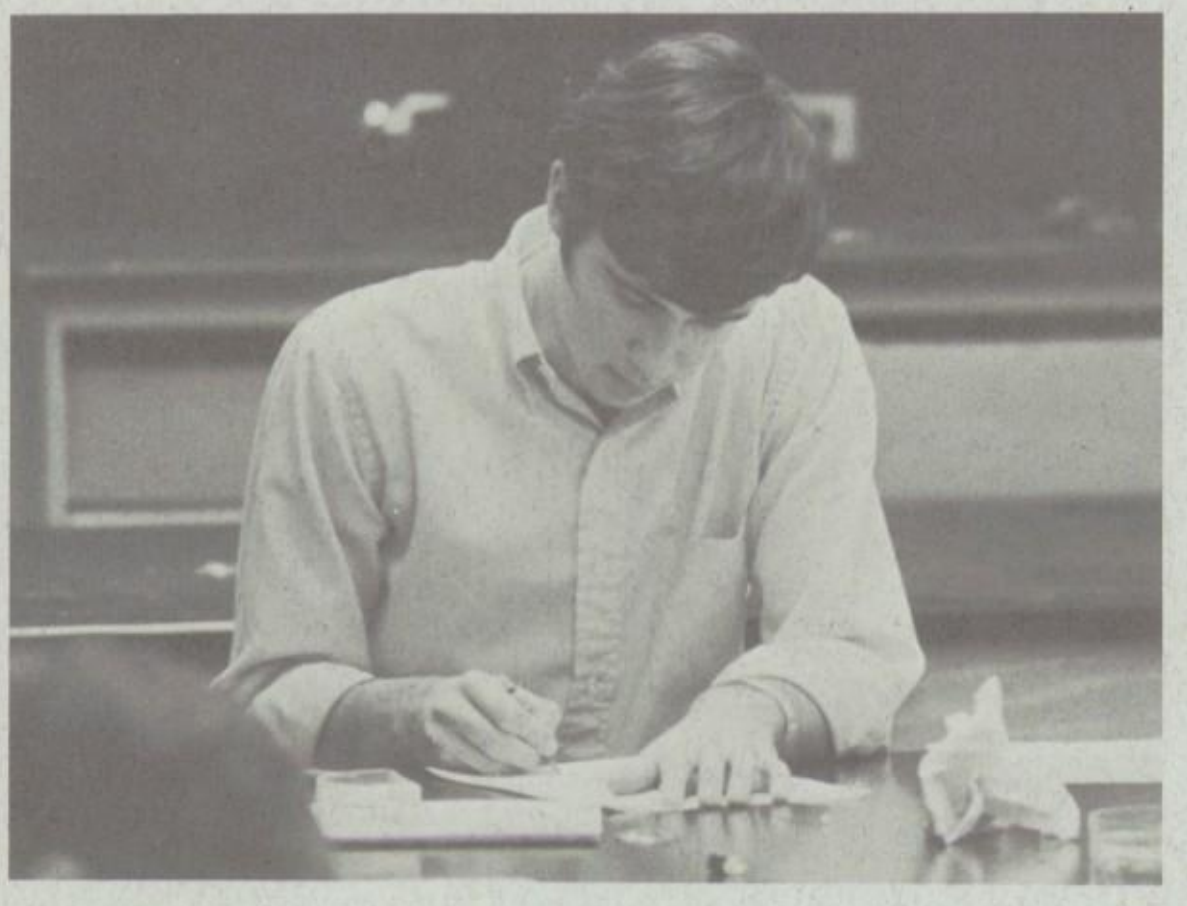
Room Enough For Everything:

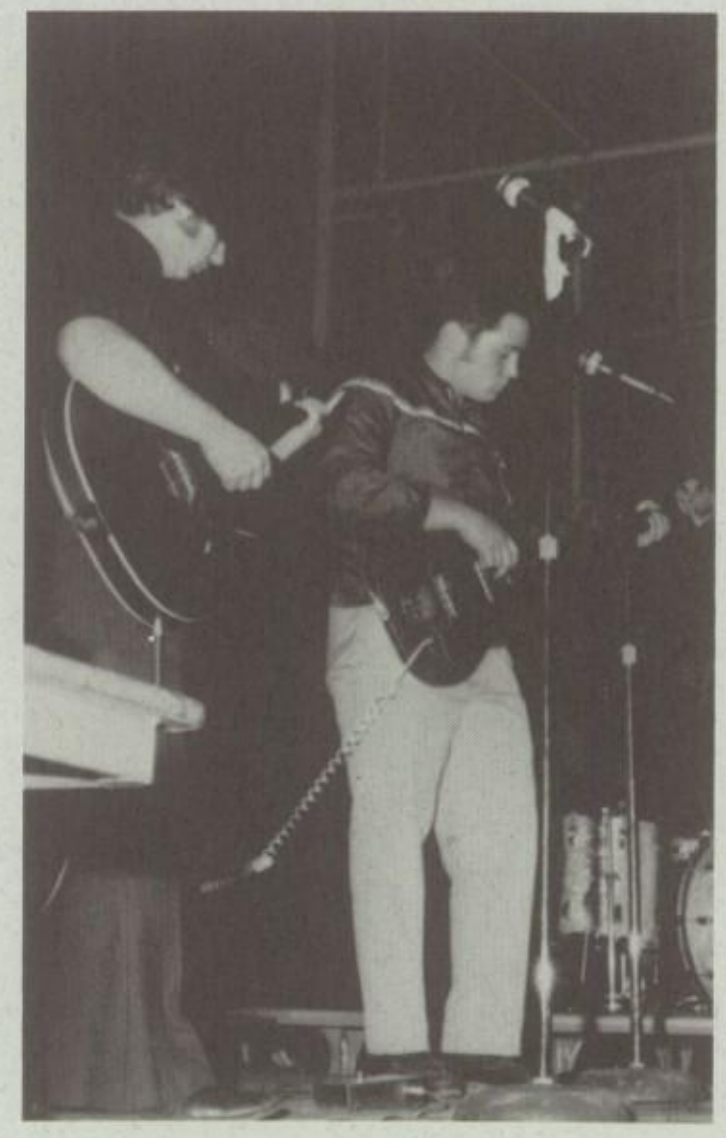






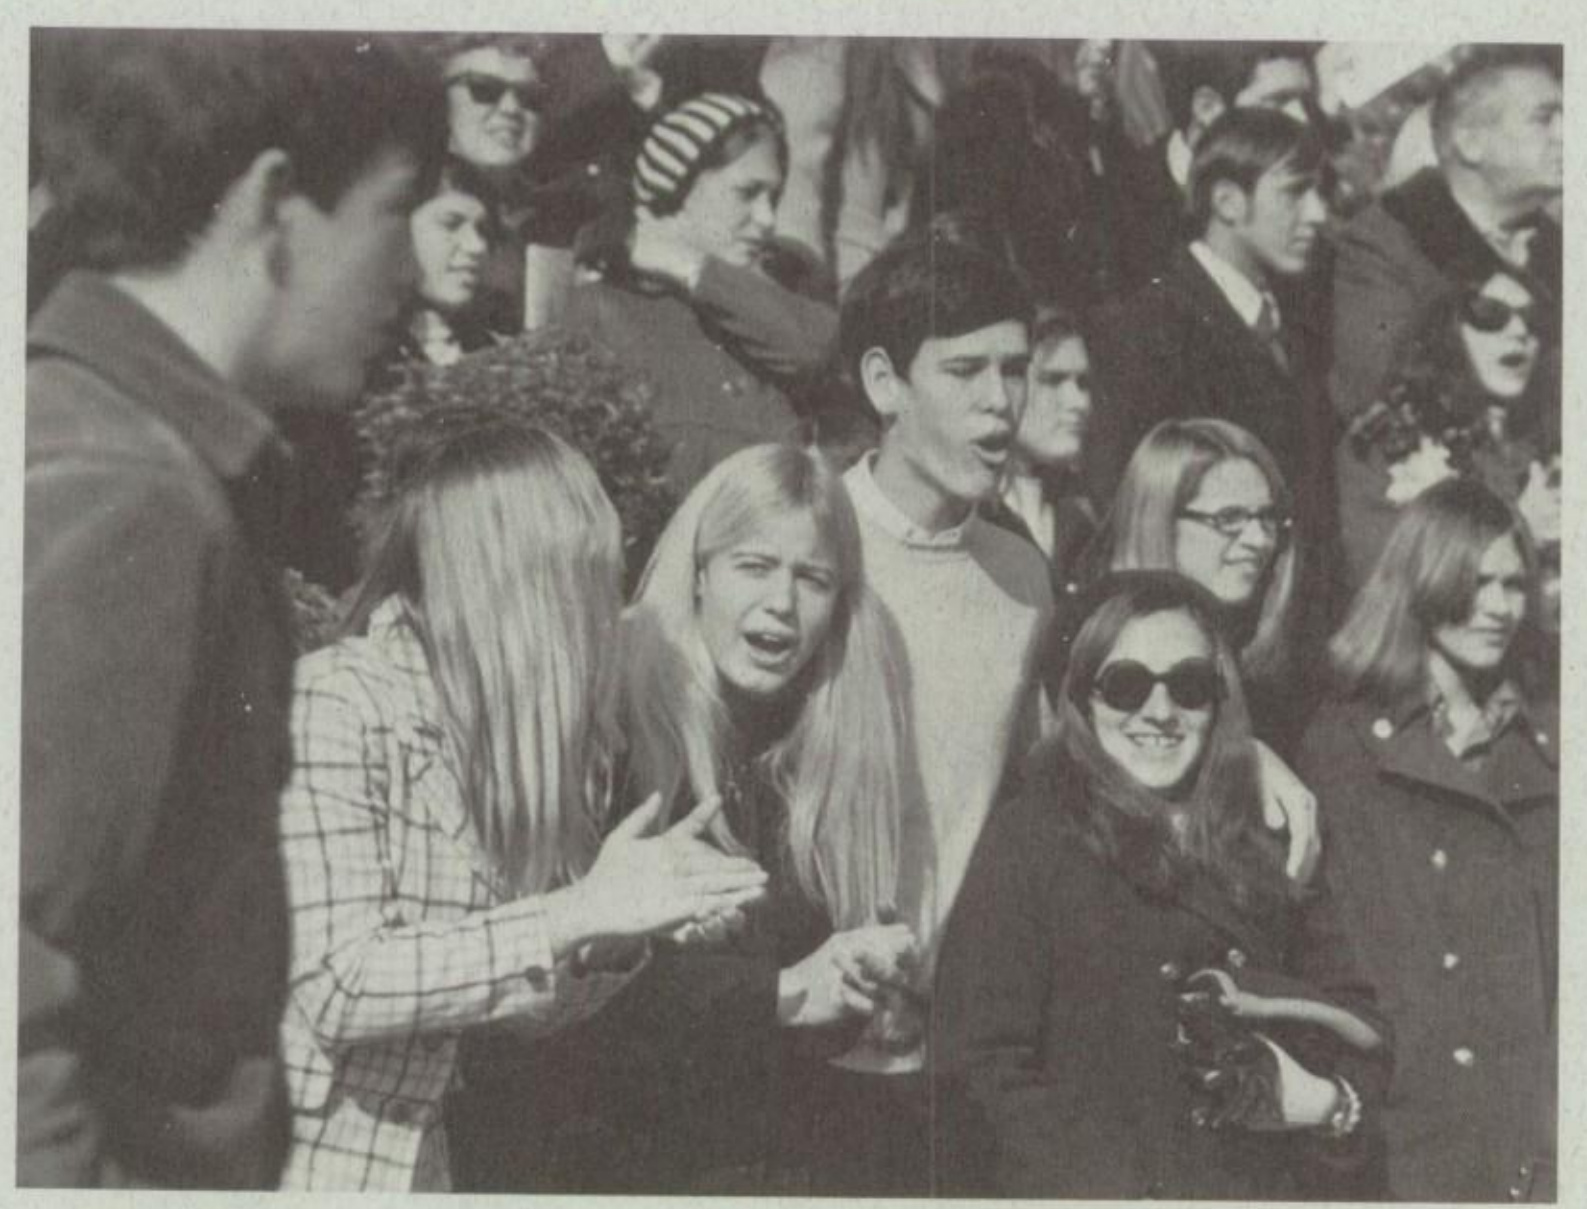
Happy And Bewildering Excursions
Into Many Fields Of Knowledge . . .

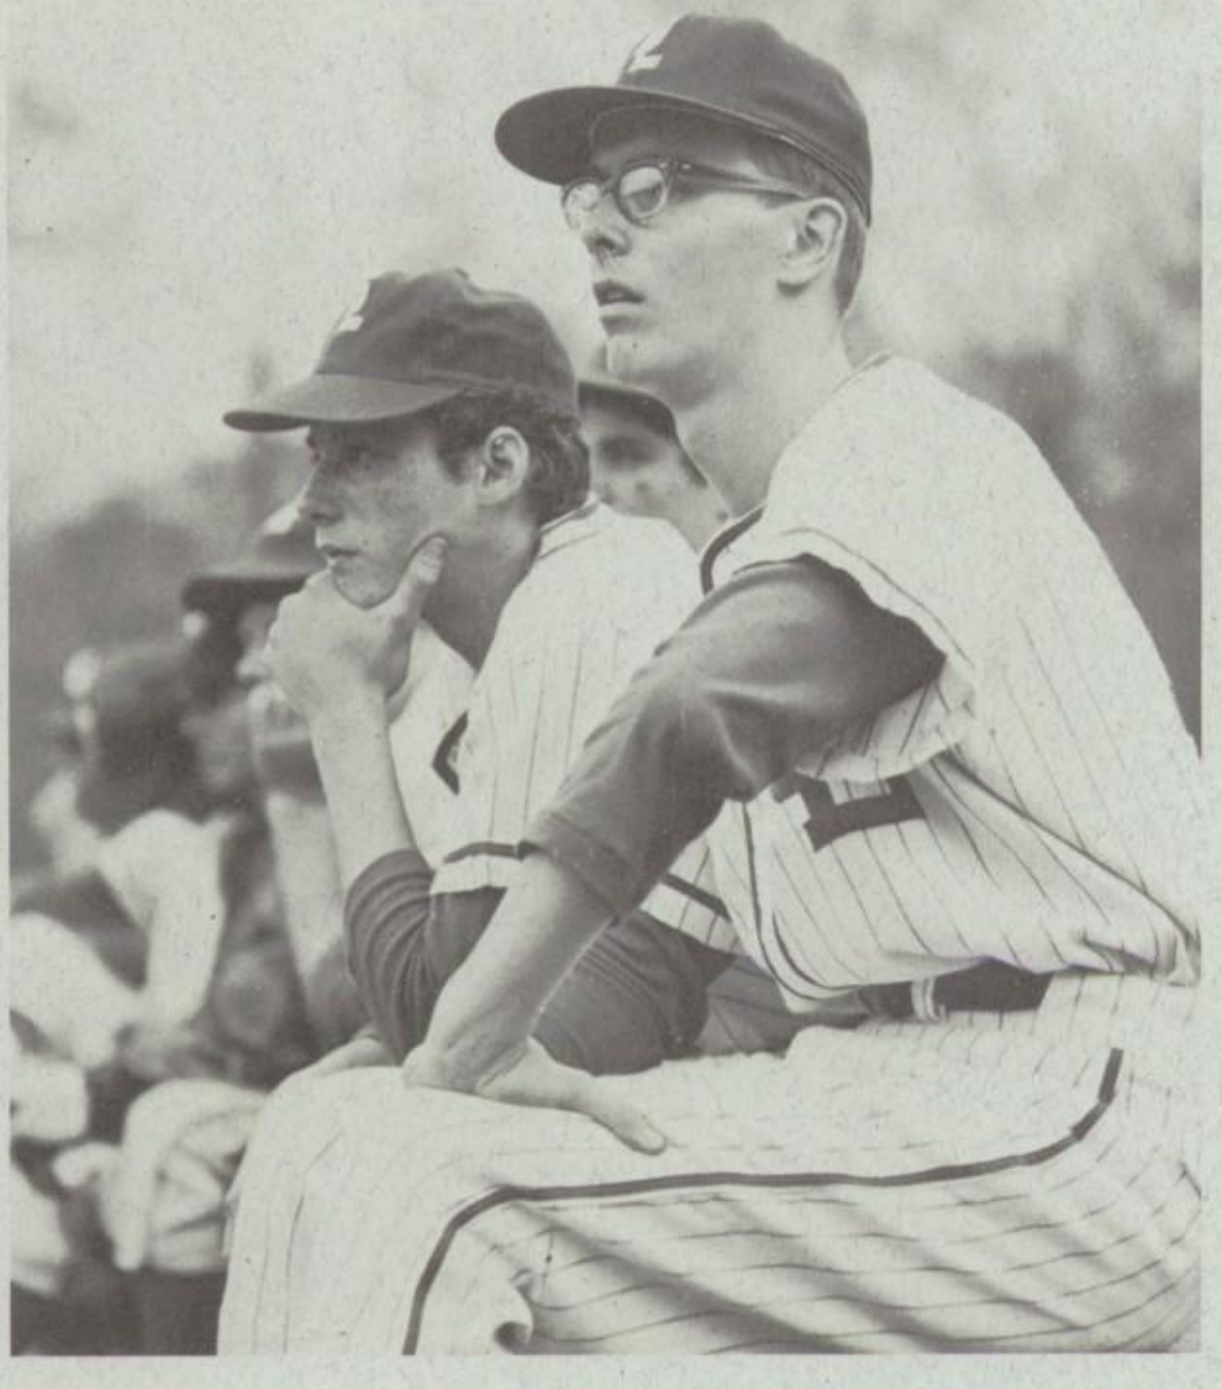
And



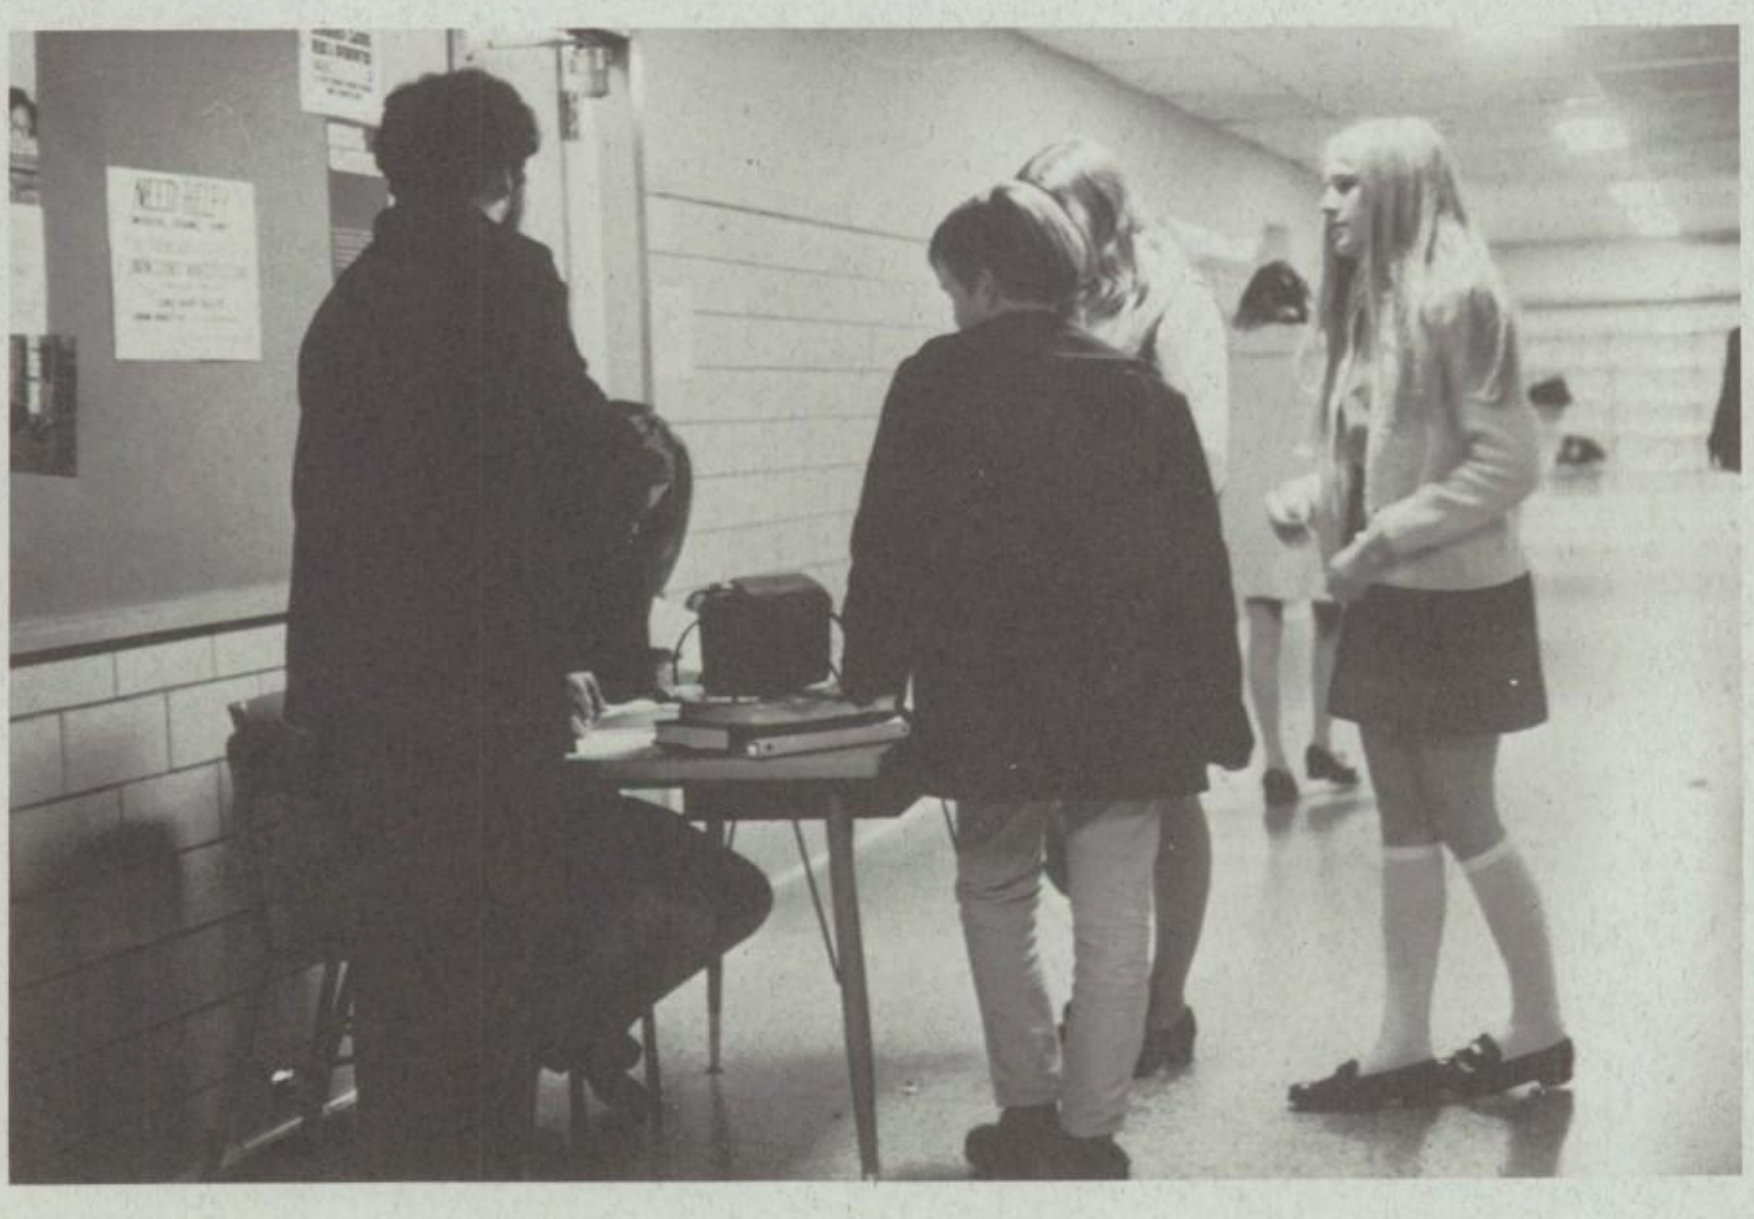
The Good Life.

Each Of Us Had His Own Dream,
His Wish, His Secret Heart's Desire,



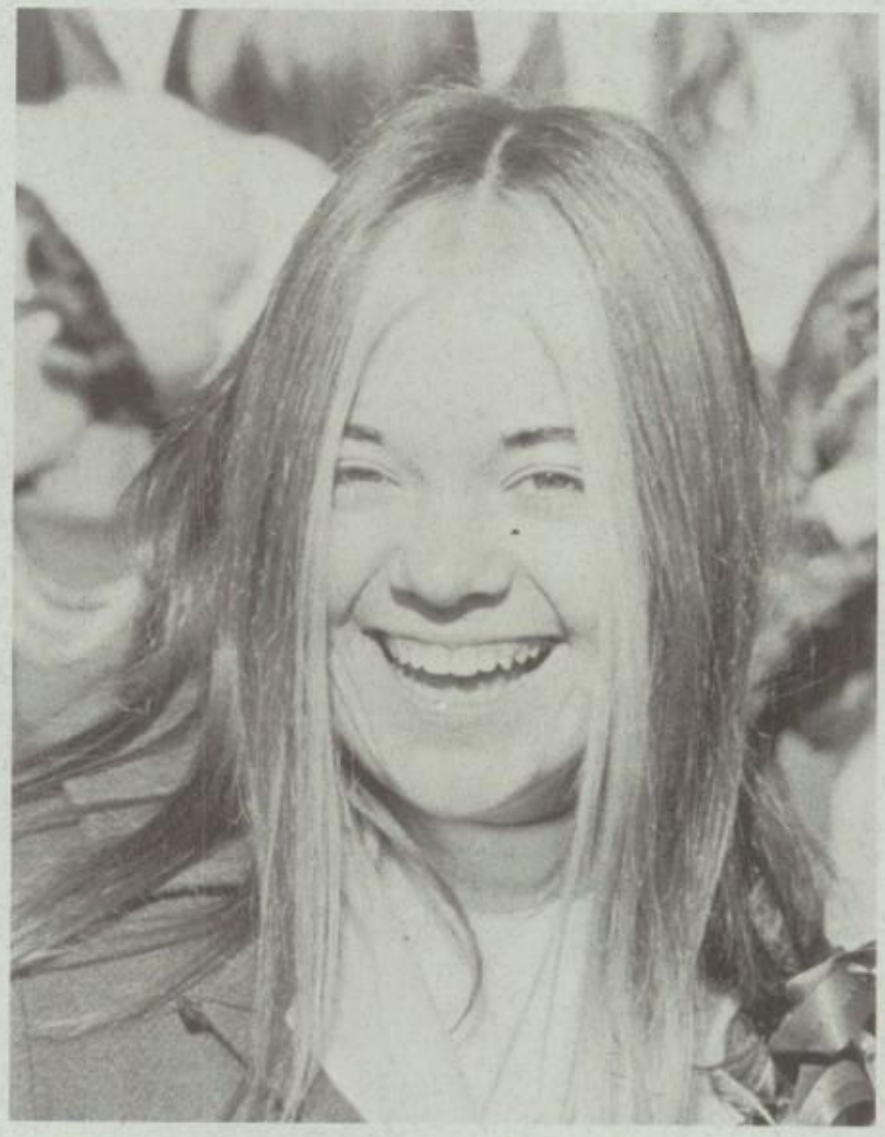


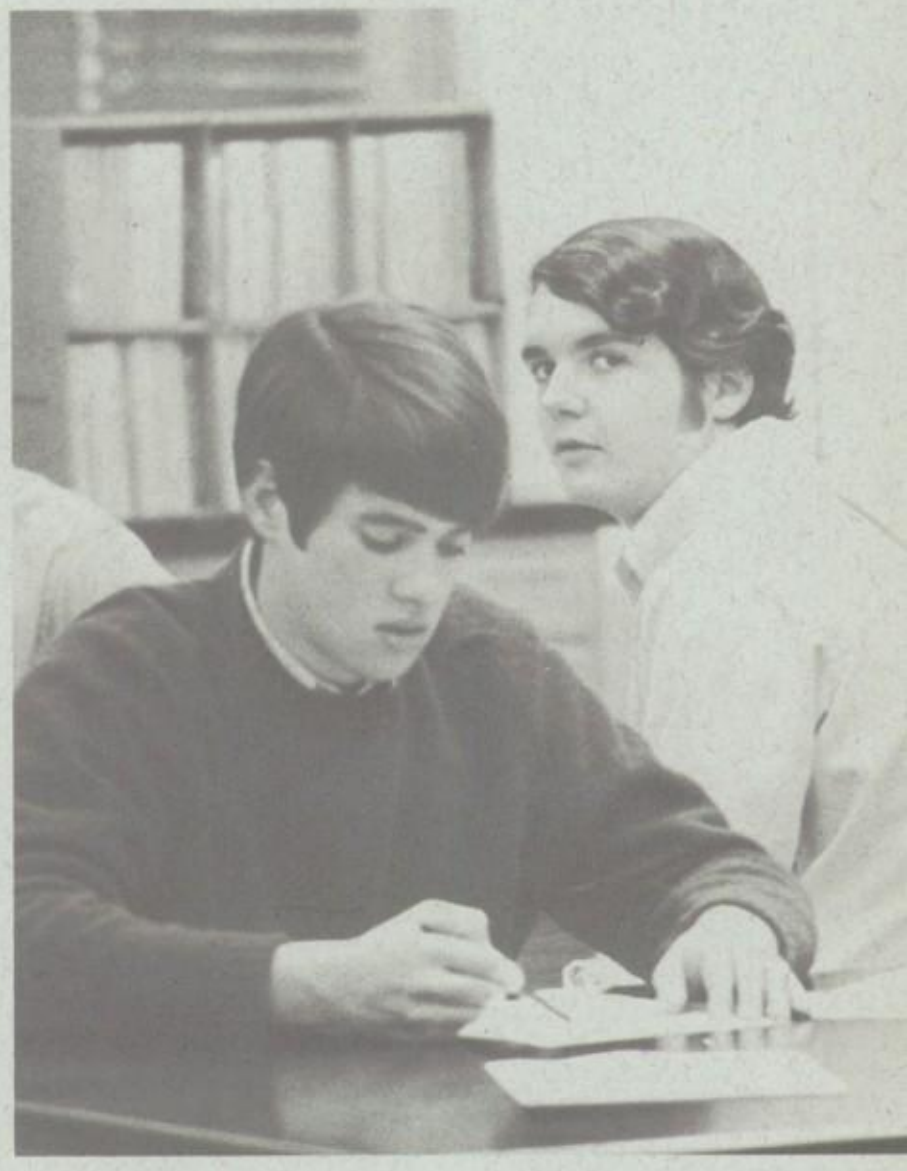
And Yet
We All Flowed
Together
And All Belonged
To Each Other.

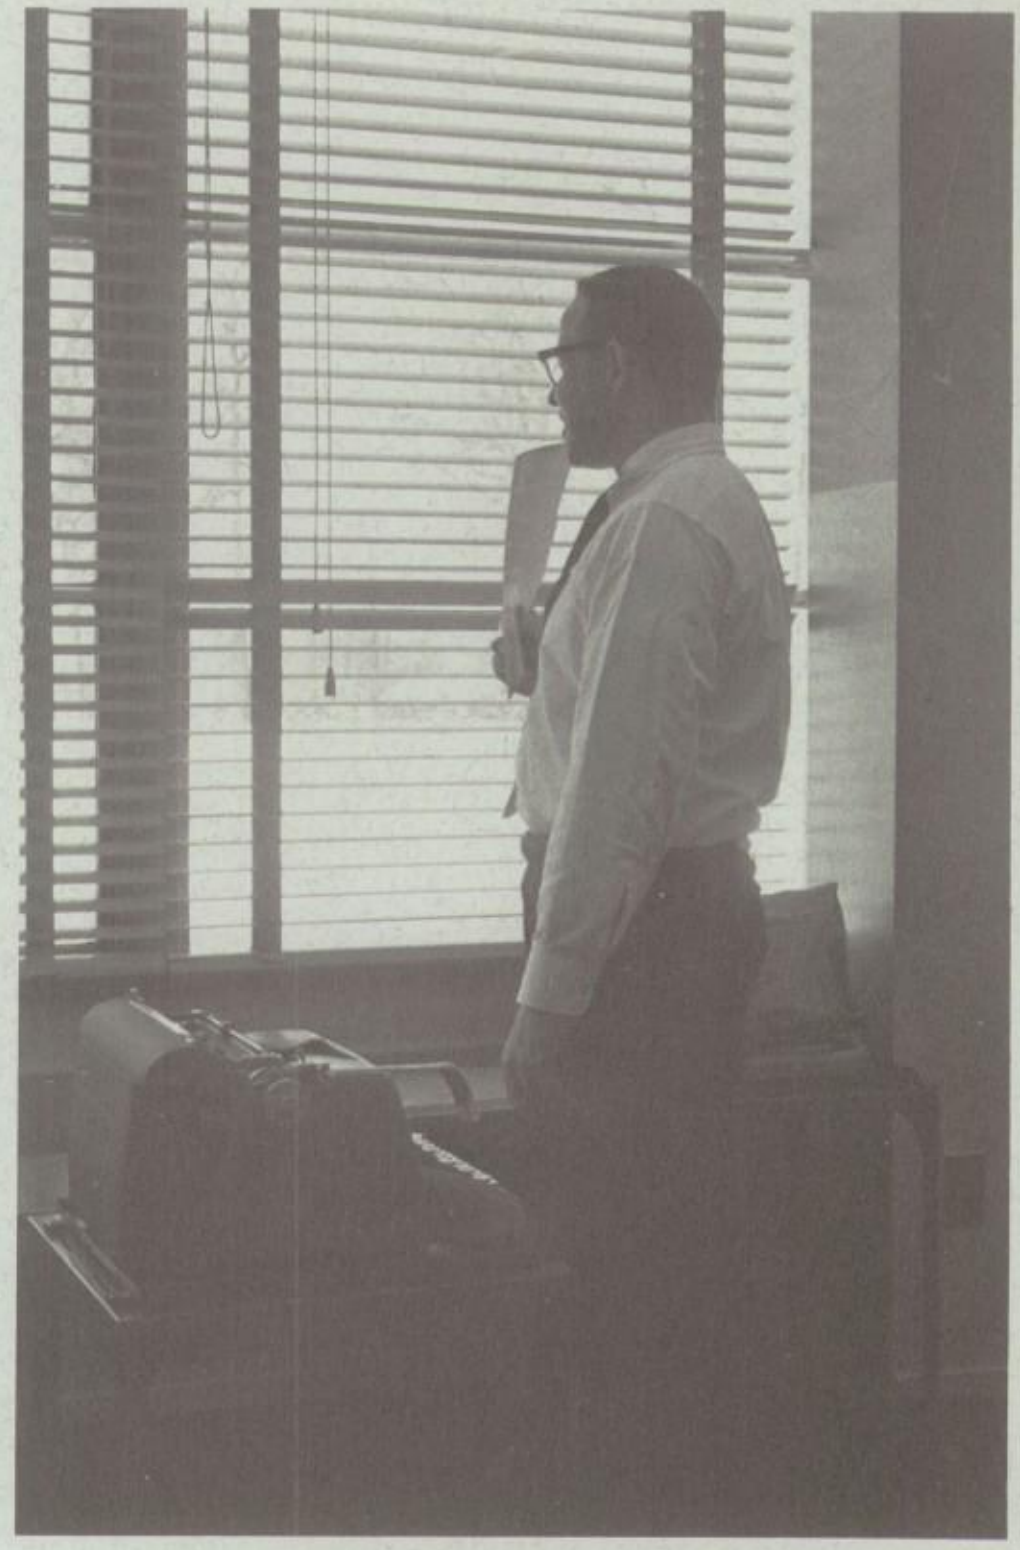


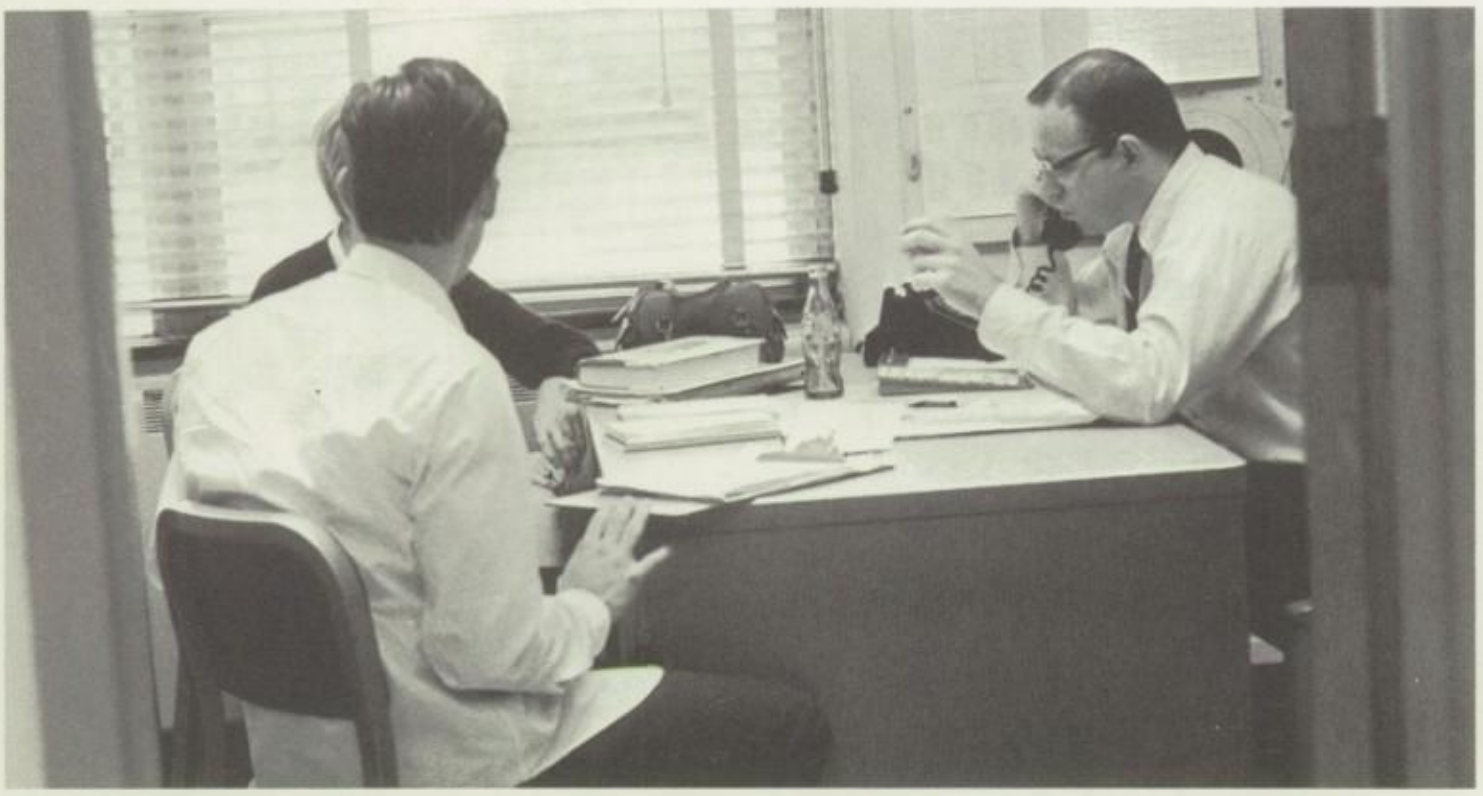
We Realized How Irrecoverable And Unique

Is Each Life And Youth.









To say "no" when it would be easier to say "yes" is the mark of a man who truly cares about his associates and students.

Some of us knew you as the voice which, at 3:00, issued from the speaker on a classroom wall. Others knew you as the man who controlled the resources and equipment of G.L.'s Audio-Visual Department.

But wherever you were you always had time to help, to advise, to joke or to just talk with any one of us who came to you, simply because you cared about our lives and our future.

It is for this reason that we, the staff of the Claymore, dedicate our yearbook to you, Mr. Robert C. Seyfarth.

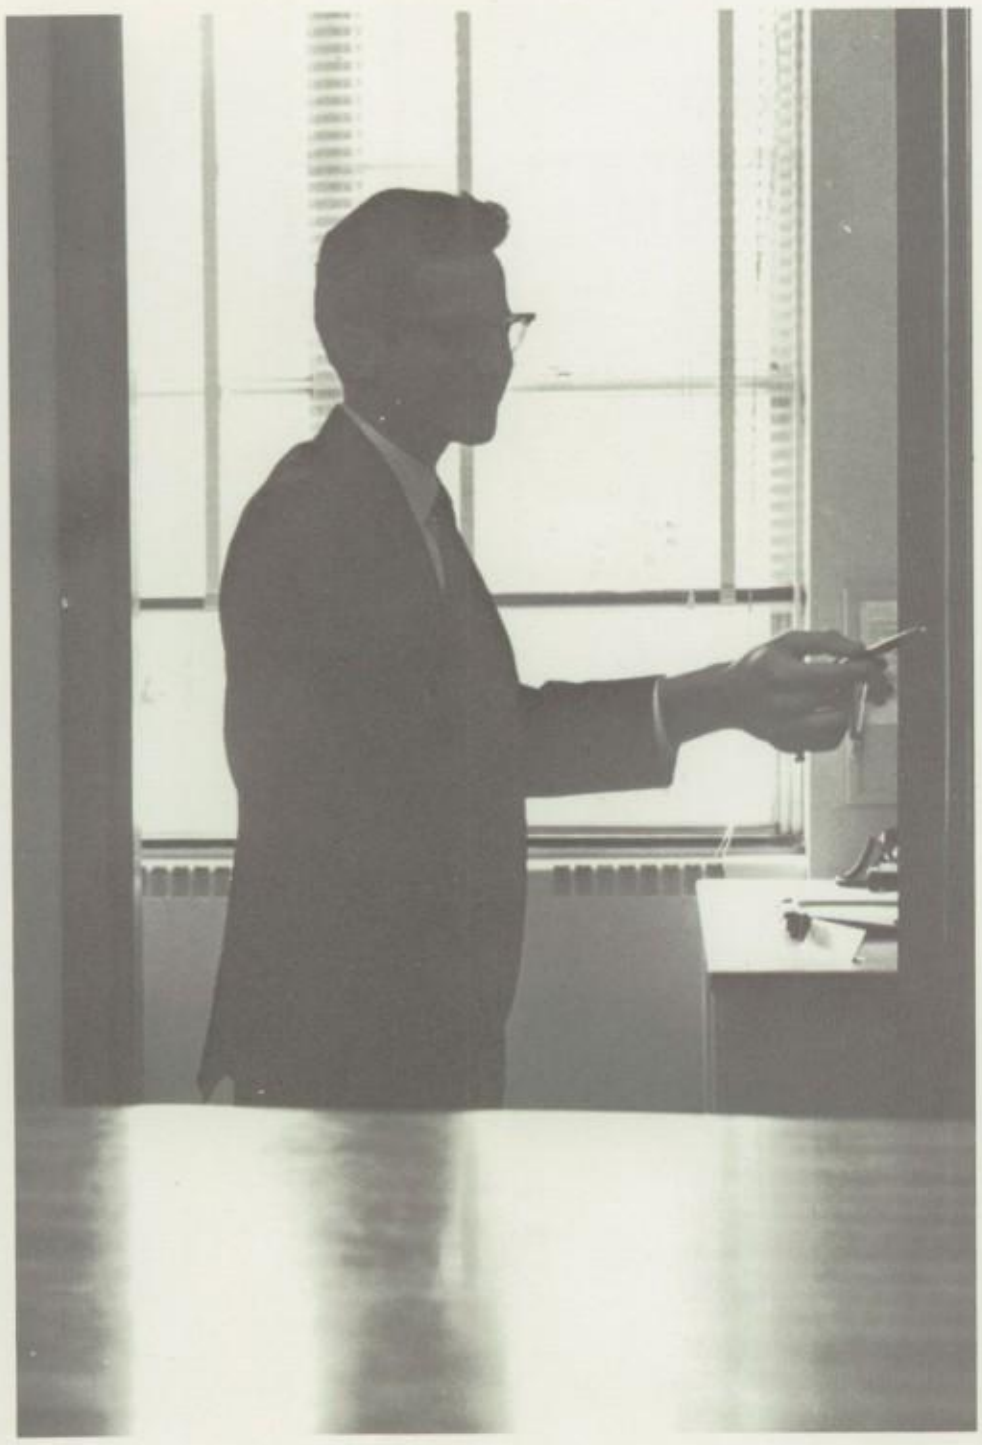
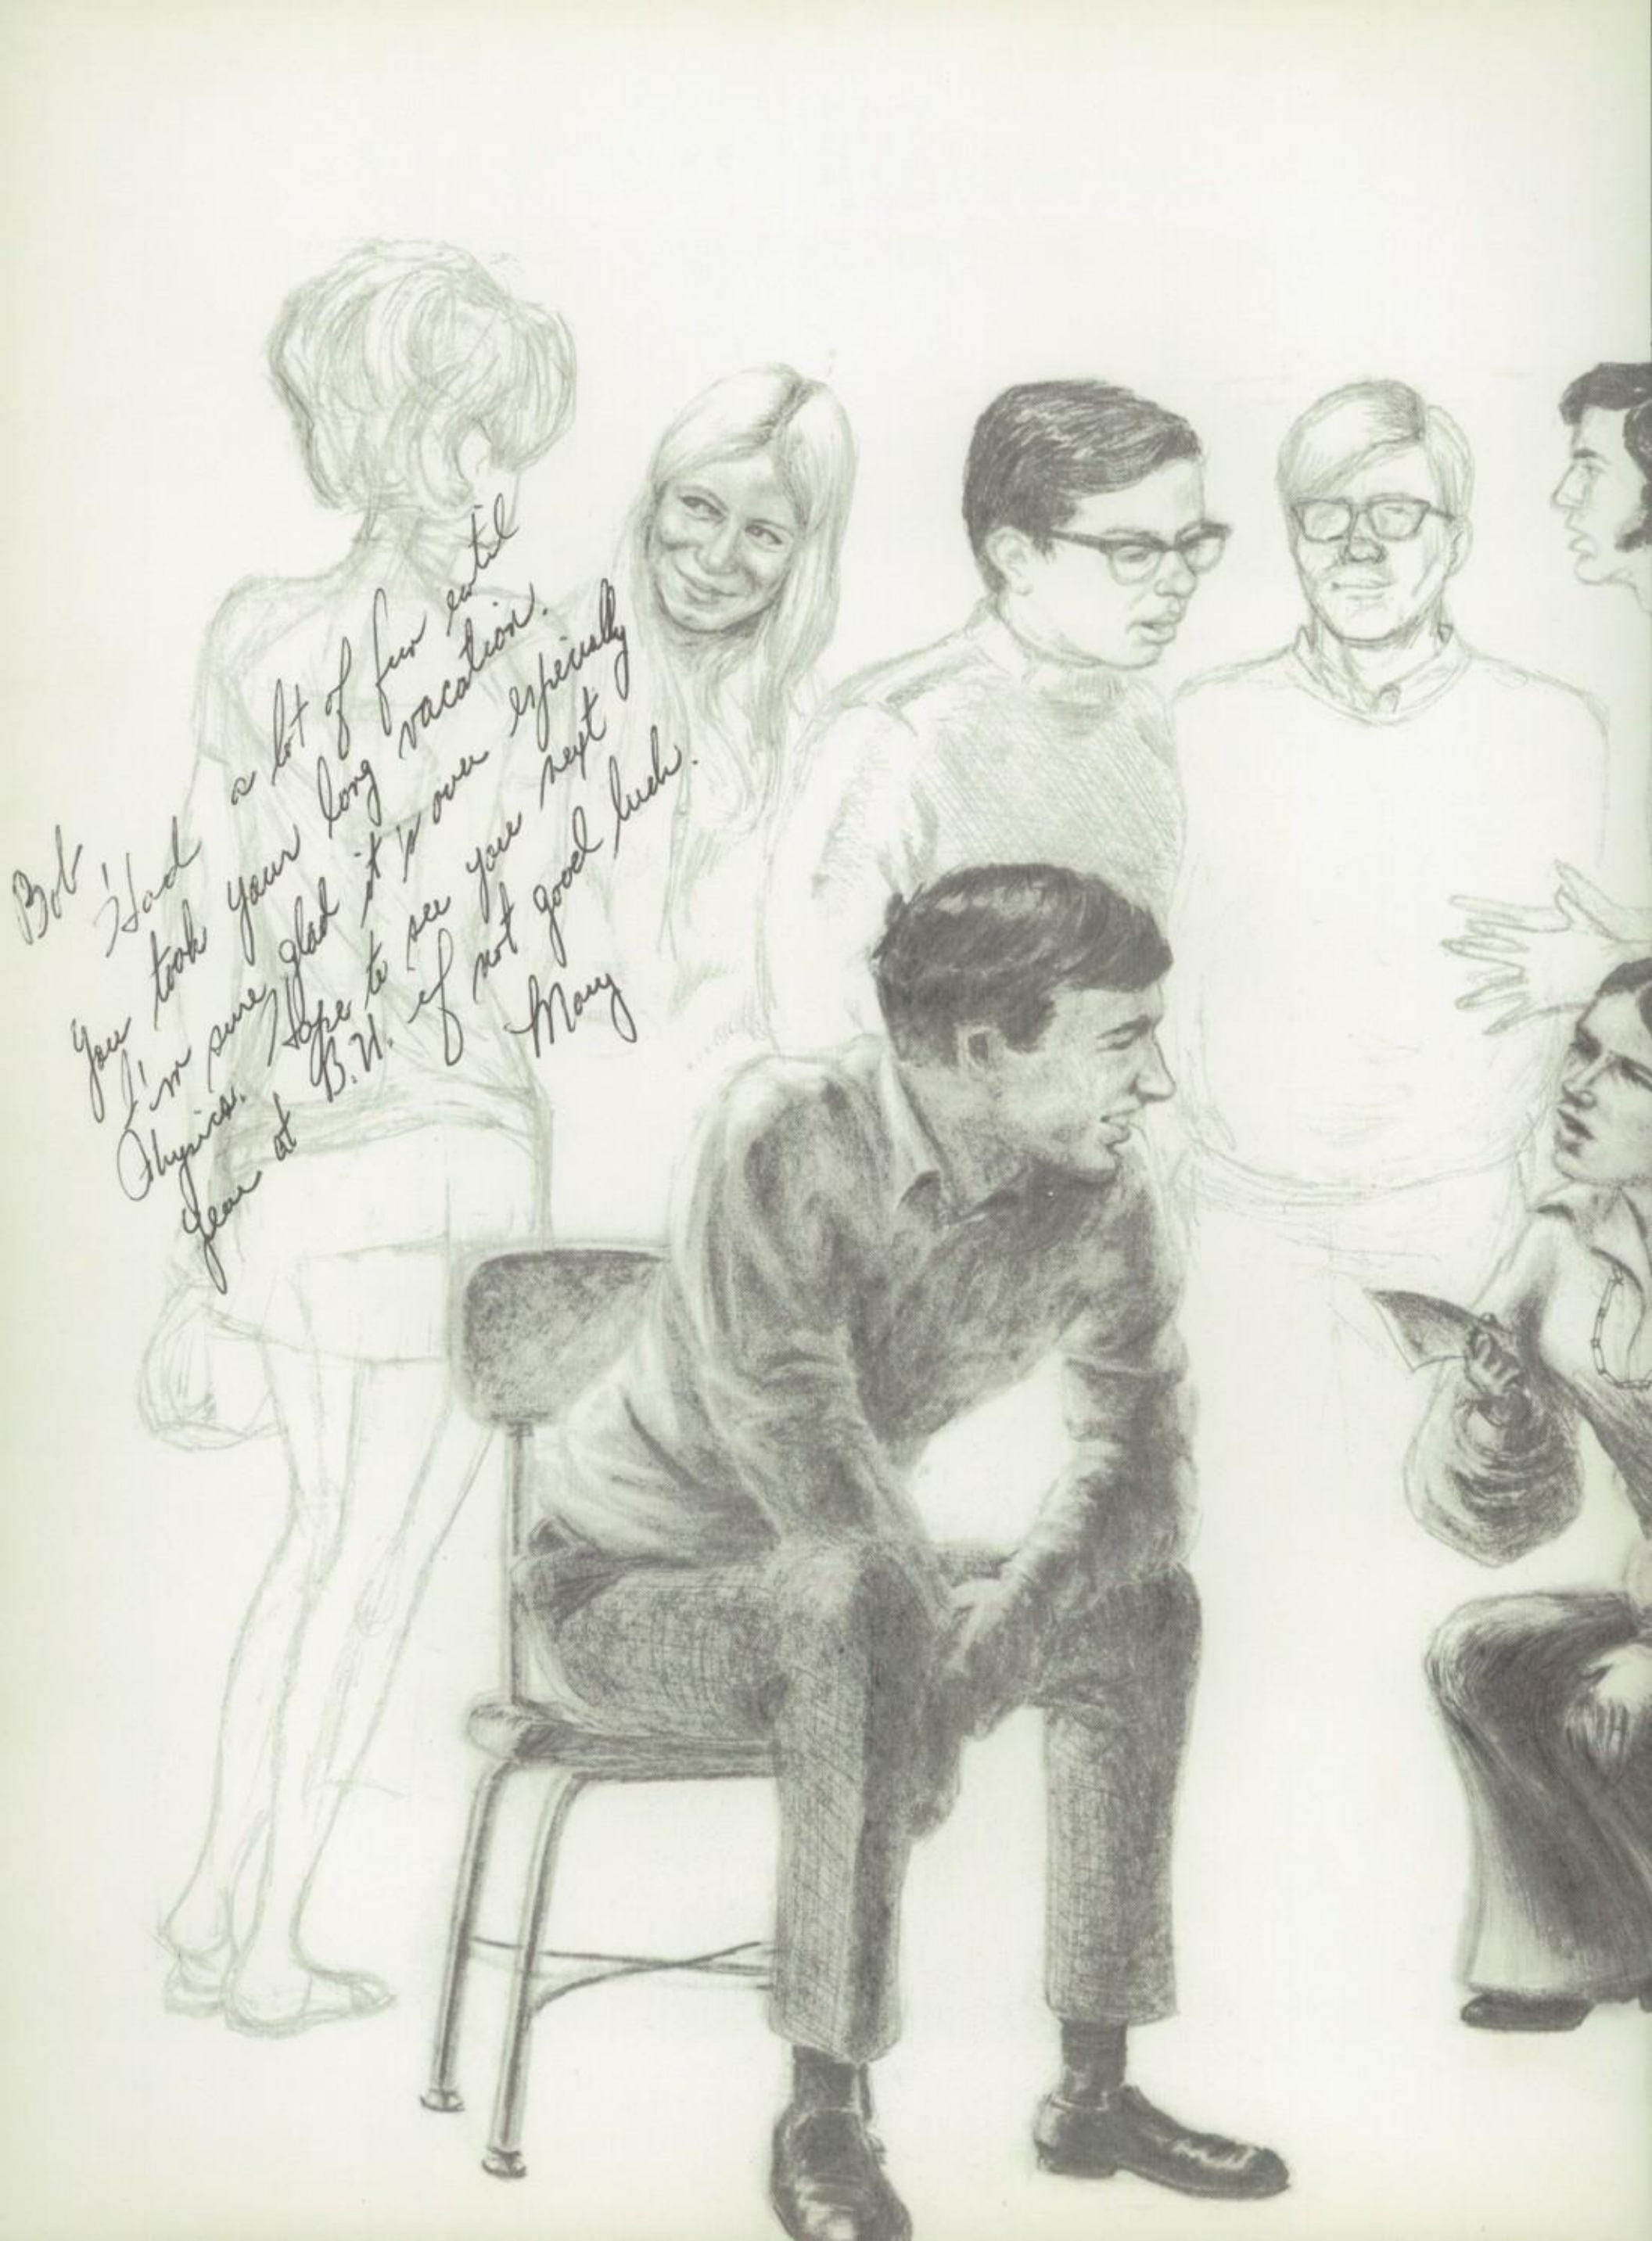
MR. THOMAS ROSAMILIA



By wisdom a house is built,
and by understanding it is established;
by knowledge the rooms are filled
with all precious and pleasant riches.
A wise man is mightier than a strong man,
and a man of knowledge than he who has strength;
for by wise guidance and abundance of counselors
there is victory.
By your dedication to us, so are you remembered eternally.

— Proverbs —



Bob I had a lot of fun until
you took your long vacation.
I'm sure glad it's over especially
Physics. I hope to see you next
year at B.U. If not good luck.

For each person to determine his position in regard to time, the world, and other people; to discover his talents and his limitations and to attain self-knowledge . . . to chart this process has been the goal of this year's Claymore. The Claymore staff has spent these months searching for the soul and the philosophy of the students in this school. We have put our search into these pages and through our work have received immeasurable rewards. We thank all who gave us inspiration.

This year our team played and played well. The spectators saw a team, a powerhouse, make a push forward in the right direction. It is always said that it does not matter if you win or lose, but how you play the game. The team played the game like men. For this reason we won.

County Tournament: 2 — Westfield — 1
0 — Scotch Plains — 2

Compiling its best record since 1961, this year's soccer team, headed by coach Ralph Bianchi, made opponents aware that Governor Livingston's squad is not to be underestimated. No longer do teams such as Edison Tech, Pingry, and Westfield regard G.L. as an easy win. Conversely, Governor Livingston is considered an experienced opponent in strong competition for both state and county titles.

Out of the eleven starting players, nine were underclassmen. The entire defense, spearheaded by Chuck Price and Kurt Mohns will return next year. Their tenacious protection of the net is already recognized as one of the toughest in the county. The key to future success lies in the line's ability to score.

His Cheeks Were Flushed, His Movements Short, Swift And Sure.

The 1969 Cross Country team, led by co-captains John Lee and Guy Groves, compiled a fine 7-4 won-lost duel meet record. The highlight of the season occurred at the Sectional Meet when John Lee won North Jersey Section II Group III honors and the team qualified for the State Group III Meet with a fourth place finish. The team closed the season with a 15th place finish in the State Group III. All this would not have been possible without the efforts of the team and the coach, Mr. Vershuren, help.

Compiling the best record in the Highlander bowling history, the 1969-1970 team ended its successful season with a dual meet record of 11-2-1. Coached by Mr. Richard Duggan, Sam Manganello, Alex Jankowski, and Bob Delatour led their team to a remarkable first place in the Union County Bowling tournament.

One of the most demanding sports to play and to watch is basketball. As the seconds tick away, the outcome of a game can change with a flick of the wrist. This was the case with the Summit, Union, and Westfield games; G.L. lost by one basket scored as the time ran out. Nevertheless, the team rallied to beat its rival Westfield at another time, and earned a fine record for the 1969-70 season.

Wrestling

This year's wrestling team could be justifiably proud of its successful 9-3 record. Bolstered by such outstanding wrestlers as Stuart Brown, Dana Somers, and Bill Ruff, and under the capable supervision of Coach Sorrentino, the team proved itself at meet after meet. Despite a close defeat for first place in the Union District Tournament no one could dispute the strength of the 1969-70 squad.

Give a yell, Give a yell, are you ready? Let's go! Such familiar cheers were heard at soccer, football, cross country, wrestling, and basketball games, exemplifying the enthusiasm necessary to complete any sports season. The girls showed their dedication not only through cheering, but by decorating the team rooms, giving a football breakfast, selling refreshments during the winter season and presenting the coaches with sports collages. The cheerleaders were only successful because the crowd responded and showed its support by cheering our G.L. boys to victory.

Baseball

Although hindered by an inexperienced but capable squad, the varsity baseball team put forth great effort in compiling a record of 7-10. The squad played such strong teams as Westfield, Scotch Plains, and South Plainfield. One of their greastest assets to the team was pitcher Doug Rau.

With many outstandng underclassmen returning next season, the future of the team looks good.

Tennis

Golf

Tennis and golf, while never assuming importance at Governor Livingston as spectator sports, are two activities in which the individual is playing for himself to a great degree. The meticulously developed control demanded by these two disciplines is never better exhibited than in a match between two fine players.

G.A.A.

The brightest side to girls athletics is the sports participated in after school. There is a great enthusiasm shown in hockey and soccer and even more so in basketball and gymnastics. Other sports filling the year are: golf, tennis, volleyball, badminton, bowling, and softball. Being physically fit and able is a vital aspect of a well-rounded person, and G.A.A. helps to bring out this capacity in every girl.

Leader's Club

Leaders' Club, the official organizational body of G.A.A., welcomed over forty enthusiastic girls into membership this year. In addition to sponsoring such activities as the Mother-Daughter Tea, the Pops' Picnic, and the decorations for the Mr. Regional Dance, Leaders' Club also held a bake sale and flower bulb sale to raise funds for a scholarship. This year's officials were: President, Bonnie Volpe; Vice-President, Isabel Krystow; Secretary, Robin Shallcross; Treasurer, Diane Colletta, and State Representative, Joyce Agee . . . And where would Leaders' Club be without the guidance of Miss Anderson?
